

TV Production Internship Opportunity

The Pennsylvania Cable Network (PCN-TV) is seeking candidates for our 2020 Summer Internship Program. Interns will work primarily as a videographer in field productions, however they will also be assigned on a rotational basis to work in several other aspects of cable television production, including legislative/ Public Affairs coverage, graphic art, editing, and social media/ web presence. Anticipated projects will include coverage of PIAA championship high school sports, state legislative proceedings, and field work at the Gettysburg National Military Park.

This is a paid position, lasting apx. 10 weeks in duration. Applicants should possess a strong interest in state politics and public affairs, good writing/ research skills, and class work related to TV production.

PCN-TV is a state-wide Public Affairs network, available in over 3 million Pennsylvania homes. Main offices are based in the Harrisburg, PA region.
